Driver, Paul Whittier (L) and Throttleman, Bob Teague (R)

The AMSOIL Dominator Racing Oil continues to be proven as the best choice for the Mercury Racing 525 EFI engines. We are seeing no signs of engine wear using the AMSOIL 15W-50 Dominator Racing Oil. Additionally, Team AMSOIL continues to prove that AMSOIL MCF is the right choice for the Mercury VISSM Super Speed Master dry-sumped drives. The company's great sponsorship package, dedicated racing department team and superior lubricants all make it possible for Team AMSOIL

Offshore Racing to achieve success! Teague Custom Marine is an authorized AMSOIL dealer and offers the complete line of high performance lubricants in its store and for purchase over the phone.

United We Race!

See you at the races!
